Bridgestone Opens New Science Center and Conducts Science Teacher Training to Strengthen Science Education in Northeastern Thailand

Bungkan (25 January 2013), – Thai Bridgestone Co., Ltd., led by Mr. Vichit Lertwongpaisarn, Human Resources Director, held the opening ceremony of the new Science Centre at Bungkan School, Bungkan Province, and conducted Science teacher training in collaboration with the Science Institute, Office of Basic Education Commissions, Ministry of Education during January 25th – 27th, 2013.

Thai Bridgestone had initiated the science center at Northeastern Thailand since 2003 and has been promoting science learning activities in these science centers, supporting up to 16 centers in 16 provinces to date. Additionally, Thai Bridgestone would like to support Science Teacher Training continuously as an encouraging mechanism to promote basic scientific knowledge with the learner-oriented method for students in the rural areas.
