

**DON'T JUST TAKE
CORNERS.
RULE THEM.**

Take to the streets with the new Bridgestone Potenza RE004 and discover the thrill of driving. With amazing handling and high responsiveness in sharp turn-ins, you'll feel the road more acutely while enjoying greater stability and control. This isn't just a tyre that's built for drivers; it's a tyre that's built for the drive.

DESIGNED FOR CONTROL, ENGINEERED TO PRECISION.

TRIPLE & HALF GROOVES

Take corners and brake with more confidence and control on both wet and dry road surfaces.

WIDE INSIDE RIB

Stiffens instantaneously in reaction to road conditions for greater driving pleasure.

"A" SHAPE & AGGRESSIVE GROOVE

Aggressive and dynamic thread patterns don't just deliver great looks – they also deliver superb handling.

CONNECTING BLOCKS

High speed doesn't have to mean low control. With a stiff shoulder block, tyre sensitivity is increased while excessive movement is reduced.
